<p>
<b>About Payson invoice</b><br />

We offer the payment method "Payson invoice" in cooperation with Payson AB.
Payment terms are 10 days, and on the invoice there will be a fee of %s SEK.
To order by invoice you must be 18 years old and registered as a resident in Sweden, and approved in the
credit check carried out at the time of purchase.
The invoice will be sent separately by email to the email address you specify at the time of purchase.
Upon any delay in payment we will send you a reminder, where a statutory reminder charge of
currently 50 SEK is added. We also charge interest at 2%% per month from the invoice due date.
In case of no payment, the case will be subject to collection, in which a statutory collection fee of currently 160 SEK
is added. Payson reserves the right to, in individual cases, refusing delivery and reviewing client
creditworthiness.
</p>

<p>
<b>Information on withdrawal</b> <br />
According to the Distance and Doorstep Sales Act, you as a consumer (this is not business) have the right of withdrawal
by notifying us within 14 days of receipt of goods. In order to be able to use your right
you must return the item in undamaged condition, in original packaging. When using the right of withdrawal, it is you who
should pay for the return cost.
</p>
```

<p>
Information about pledging

When paying by Payson invoice, the invoice will be pledged to Payson and thereafter to Gothia Financial Group AB.
</p>

<h2>General</h2>
Through a cooperation with Klarna AB we can now offer you the possibility

of part payment. There are several alternatives to choose from and you select

the one that fits you the best. Naturally, at any time during the part payment

period, you can pay the remaining debt. You can purchase from 100 EURO up

to 5.000 EURO and you can have one or more present part payments, where

Klarna put them together into one invoice monthly.

<h2>Simple and flexible</h2>
You make your part payment application in the cart, when you make your

purchase in the cart, you select the part payment alternative that you desire.

You instantly get information if your application was granted and we could

process your purchase immediately. If your application is not granted, you

can go back to the cart and select another payment method. Klarna AB will

send an account agreement home to you. Make sure your contact information

is correct, sign the agreement and return it in the attached envelope.

About ebooks

#

Digital watermark is a way to protect copyrighted material. Downloaded ebooks will be watermarked with information containing your order number.

Watermarks do not affect the file format and do not obstruct download or

use of the book. The watermark validates that the book you download

belongs to you. All copyrights are reserved except for personal use, and

further distribution is prohibited. You are personally responsible for assuring

that the book is not spread to other users. If the book is found elsewhere,

for example on a file sharing site, it is possible for us to decode the

watermark information in the file and trace it back to your order number.

Watermark remains on copies of the book.

</p>

#

<p>

About audiobooks

#

Digital watermark is a way to protect copyrighted material. Downloaded

audiobooks will be watermarked with information containing your order

number. The watermark consists of inaudible information in the sound,

containing you ordernumber. Watermarks do not affect the file format and

do not obstruct download or use of the audiofiles.

The watermark validates that the audio files you download belongs to you.

All copyrights are reserved except for personal use, and further distribution

is prohibited. You are personally responsible for assuring that the book is

not spread to other users. If your audiofilkes are found elsewhere, for

example on a file sharing site, it is possible for us to decode the watermark

information in the file and trace it back to your order number. The

watermark remains even if the audiofiles are moved from one device to another.
